

Genogram use this chart to diagram your family as best you can with your parents at the center. Add Siblings, Births, Deaths or any life changing events for 3 generations. You may choose maternal or paternal relationships. Circles represent females, squares males and straignt lines marriage, dotted lines divorce or loss of connection. You are free to add symbols, dates and people to this diagram.

As a result of this session in what 3 ways will you think or behave differently?

1.

2.

3.

Context is Everything

am horizons training group

1963 Emancipation January 1, 1863
1920 August 18, 1920, the 19th Amendment, women's voting rights
1924 Indian Citizenship Act
1964 Civil Rights Act
1978 Native American Freedom of Religion
1990 ADA-Americans with Disabilities Act of 1990
July 4, 1776 We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness.

HUMAN SOUL

BODY + SPIRIT

Authentic Relationships, Service to others, Self Appreciation

Historical Trauma

Institutional Racism

Poverty

"Whiteness"

Barriers to my HUMANITY

	African Americans	European Americans	Latino/a Americans	Asian Americans	Disabled Americans	Native Americans
Parents and Family						
Friends						
School and Workplace						
TV, Movies and Media						
Personal Experience						

THE SEASON OF INTENT

Laws have been created to deal with, manage and give consequences for larger social ills.

Impact vs. Intent.

In Human Relation's work we talk about, deal with and learn to manage human behavior.

Intent vs. Impact.

BIGOTRY

PREJUDICE

DISCRIMINATION

Emotions + Thoughts = Behavior

$$B_ + P_ = D_$$

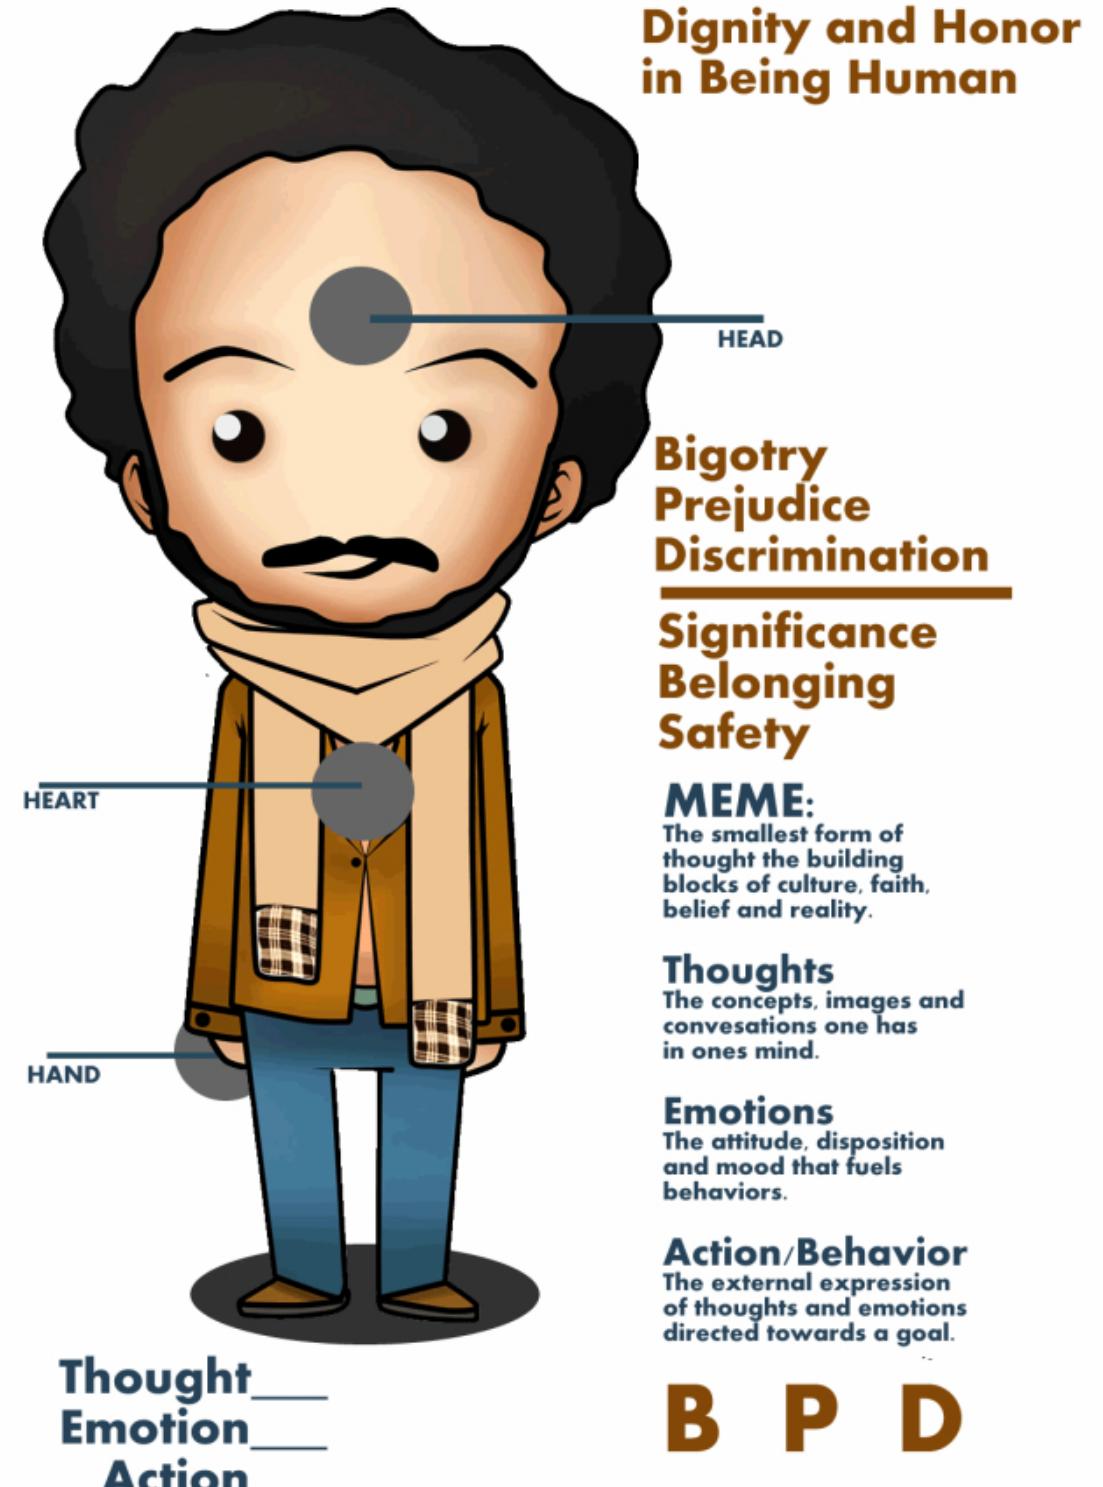

X CONFLICT

Values drive our behaviors. Behaviors attempt to live out values

My **VALUES** are not negotiable, however my methods could be.

- So why differing methods?
- GEOGRAPHIC CONTEXT
 - TEMPORAL CONTEXT
 - ETHNIC CULTURE
 - SOCIAL STRUCTURES
 - FAMILY SYSTEMS
 - INDIVIDUAL PREFERENCES

CULTURE is an adaptation to CONTEXT
